THE PRESCRIPTION TO PERFECT HAIR!

## INTRODUCING GET DOWN

This brand new, revolutionary product is designed to make your hair look its absolute BEST at all times! GET DOWN by Tanjico tames those pesky hairs that won't stay down and controls fly-aways (aka antennas) that "pop" back up and helps seal dry ends.

Are chemicals causing damage, breaking your strands and making your hair look dry? Tanjico's GET DOWN will smooth the cuticle of the strands without a greasy or waxy feel making it look tame and healthy without feeling weighed down.

This lightweight product is the answer to your hair prayers! Get Down has just the right amount of ingredients to make it work without weighing the hair down. Its special blend of formula will leave your hair looking fantastic without the look and feel of product being used. It spreads easily so it's easy to use. And you will LOVE the vibrant, citrus-orange scent!
